

We Grow With Agro...
SHAMROCK OVERSEAS LTD.

AN ISO 9001 : 2015 CERTIFICATED COMPANY

About Us

Founded in **1965** by Mr. Charanjeet Singh Chawla under the name of Naveen Trading Co., today Shamrock Overseas limited has come a long way. We are a well recognised brand in central India with reach in all parts of the subcontinent. Shamrock Overseas Limited is engaged in formulation of **100+** products that we sell under our own brand as well as import of water soluble fertilisers. With nearly six decades of experience in this domain, the company has today occupied an indisputable position in the agrochemical industry having a strong foothold.

As one of the country's trusted formulators, Shamrock Overseas Limited is engaged in job work for many MNCs in the country. Our commitment to quality is a big determining factor of our growth story. We believe that hard-working farmers are the backbone of our nation and aim to aid them by providing best quality agricultural inputs. Our tagline ' Serving Farmers since **1965**' reinforces our farmer first mentality.

For Shamrock, quality is not just a parameter, but a ritual.

A marathon starts with a single step! In its highly promising journey so far, Shamrock Overseas Limited has eyes to achieve a lot more. The zeal, infectious energy and indomitable spirit of our Managing Director Mr. Mandip Chawla has set Shamrock up for a bright future. Shamrock is ready to sail deeper and explore into the promising lands of future with our captain, Mr. Mandip Chawla in command.

Vision

‘To make world-class agricultural inputs available to farmers everywhere.’

Mission

‘To help humanity by helping customers by providing requisite knowledge, prime products, and empathetic ears.’

Our Strategic Partners

To provide our customers with high-quality products, we collaborated with other global companies that share the same vision and core qualities as we do.

Shamrock is proud to have an EXCLUSIVE partnership deal with well-acclaimed companies in the space of agriculture. We are thrilled to bring such high-quality products to the Indian market.

Herogra Especiales

Herogra Especiales is a well renowned Global Company with a presence in more than 60+ countries and 100+ years of history. They are focused on developing specialised solutions that really make a difference and help in optimizing for maximum return.

This is only possible because of their constant commitment to innovation, which is materialised through a close relationship with the main laboratories, research centres, and universities in the country, such as Tecnova, Inoleo, Xtrem Biotech, etc. As a result, all of their products are technologically advanced and are being referenced internationally. A great example of this is the Herofol Denso® technology, patented exclusively by Herogra Especiales.
